

Dear parents and carers

I'm pleased to let you know that ACT Public Schools will return to face-to-face learning in a staged approach from 18 May. Details about this transition are in the attached letter from Katy Haire, Director General of the ACT Education Directorate.

The health and wellbeing of our school community is a priority. We will be taking steps to make sure our school is a safe environment for everyone, and I have attached advice from the ACT Chief Health Officer which will guide our approach.

I'll stay in touch with you in the weeks ahead and provide further details as our return plans are finalised. You can also visit [www.education.act.gov.au](http://www.education.act.gov.au) for the latest information about ACT Public Schools.

Kind regards

Simon
