Safety in School Zones

Please exercise caution when travelling around the school at drop off and pick up times. The police have advised they will be monitoring Marr St in the near future. There is a student drop off area in Carpark 2 near the Hall. Please only stop in this zone for long enough for your child to safely enter or exit the vehicle.

Japan Trip 2019

In 2019 Melrose High School will be taking interested students to Japan for 2 weeks. During this 2 week period we will be participating in a homestay program with our friends from Makubetsu, going to a World Rugby Match and visiting Robotic companies for those students interested in the STEM program and lots more exciting activities.

This trip is not limited to student's studying Japanese as we believe everyone should have the chance to experience this fantastic opportunity.

If you are interested there are notes available from Ms Leiper in the Language staffroom or there will also be an Information Night on Tuesday , 19 June starting at 5pm in the school library.

If you need further information please contact Kerry Leiper on: kerryn.leiper@ed.act.edu.au
