brightening pathways through public speaking

Melrose High School is working together with Yellow Lantern to run an 8 session course that is aimed at building self-esteem, confidence and skills in public speaking.

The aim is to provide students with the skills required to develop and improve not only confidence, but to provide the opportunity for your child to shine.

The program will be run by private facilitators from Yellow Lantern who will come into the school on a Friday afternoon during Term 3. The program will start at 1.30 pm and will go through to the end of the day. The timetable will be set out and provided at the first session. We will run 8 x 1 ½ hour sessions. This is a user pays program and will cost approximately \$100.00 to be in the program.

If you would like your child to participate please email [sonja.marmont@ed.act.edu.au](mailto:sonja.marmont@ed.act.edu.au)
