Introducing Your Local Education Team

Harvey Norman Business & Education and MAC1 have recently come together as one team to provide our Education clients with an unmatched level of service and the largest range of products and services in the industry.

Between your local Account Executives, Adam Miller and Andrew Spence, we have over 27 years of experience in sales and providing turnkey solutions for education, business, government and corporate clients. This know-how enables us to guide clients on a full ICT journey from planning, purchasing and deployment through to integration and repairs.

Our combined range of goods and services include:

- Education specific notebooks, tablets and mobile devices
- Digital signage and interactive panels
- Device deployment
- ICT planning and strategy
- BYOD programs
- Infrastructure and wireless servers, storage and switches

- Managed print services
- Cyber security solutions
- Ergonomic furniture
- Mobile device management
- Customised purchasing portals
- Professional development for staff (Microsoft, Google, Apple)
- Training workshops for students
- Salary sacrifice options
- Specialist support from a local Education Account Manager
- Flexible purchasing options

Please get in touch with Andrew or Adam if you would like to learn more about any of our products and services.
