

Engagement for Fun and Connection

What is the Student Engagement Timeslot on our Lockdown Timetable?

This is a chance for students to connect (voluntarily) with the MHS students and teacher community. Activities include wellbeing programs and individual supports, including Pride Club, Mark's programs, terrific opportunities offered by House Heads, MacqLit & GRiN, and activities posted on the Just for Fun page.

The Following timetable contains the activities that students can engage in during the Students Engagement timeslot on a Monday and Wednesday afternoon. Some of these will be offered via the Just For Fun (JFF) Page and via the Google Meets. House Heads and other Melrose HS staff have created these opportunities to participate in. **These are NOT compulsory activities for students**, but are a fun way that we can connect staff and students virtually.
