

Welcome to Term 4 for all families. I hope your children are enjoying a safe holiday and we hope you are all doing well. I am writing with some key information for the week ahead.

- Monday:
 - Public Holiday
- Tuesday:
 - Term 4 remote learning starts back.

We are very excited to begin the process to welcome our students back!

- From Monday 25 October (week 4, term 4), Year 9 and 10 can return to on campus learning
- From Monday 1 November (week 5, term 4), Year 7 and 8 can return to on campus learning

Please note:

1. Students have been sent updated timetables and Check-In class links. These were sent yesterday (Thursday 30 October, 2021) afternoon. Please check with your child(ren) that they received this email. Check-In starts at 9am.
2. If you're a planning on keeping your child(ren) at home once onsite schooling has recommenced, can you please complete the form via the following link: <https://forms.gle/4WaFngap6VcdWcN68>
3. We are currently finalising COVID safe procedures for our school context and we will be communicating detailed information with you. One key issue to talk through with your child(ren) prior to returning to campus will be those COVID safe procedures they will include that students must be masked when at school, must stay home if unwell and should stick with hand hygiene procedures every lesson

More information can be located here:

- Measures being taken to stay COVID-safe in schools upon their return to on campus learning can be found on the <https://www.education.act.gov.au/public-school-life/covid-school-arrangements>
- Our guidelines are informed by Australian Health Protection Principal Committee [advice for minimising COVID-19 transmission in schools](#) and the Chief Health Officer's [Health Guidelines for Schools and Early Childhood Education Services \(including out of school hours care\) \(273kb\)](#).

Thank you for your patience and kindness during this challenging time. We understand, and are aware of, the pressures on families. Please prioritise your family's wellbeing and reach out if you need to.

Stay safe, stay kind and stay connected,

kind regards,

Simon Vaughan
